

Elevate Your Corporate Experience To New Heights

**ABOVE & BEYOND
SWISS**

Corporate retreats in the Alps

Take your team to new heights—literally and figuratively! Are you ready to embark on an exciting alpine journey with your team or clients? We organise epic trips in Switzerland that ooze creativity and innovation, using nature as the perfect backdrop.

Our tailored activities push and challenge participants to step outside their comfort zones focusing on wellbeing to energise and alleviate toxic stress levels. Enjoy moments that foster teamwork and collaboration or engage in fun, Bond-Style alpine sports that allow your group to unwind, while soaking up the fresh mountain air.

With years of experience organising corporate trips in Verbier, we now work across the whole region of Valais including Zermatt, Crans Montana and everywhere in between, offering three world-class destinations for your corporate retreat in Switzerland.

Nestled in the spectacular Swiss Alps just a short trip from Geneva, Lausanne, Montreux, Vevey, Sion, Nyon, Valais is the ideal destination for summer and winter corporate outings.

**Choose from five
uniquely curated
team-building and
corporate
entertainment
categories**

- Mountain Mission Adventure Challenges
- Gastronomic & Cultural Discovery Experiences
- Alpine Sporting Activities
- Wellbeing, Health & Fitness
- Alpine Indulgence & Reward Escapes

Mountain Mission Adventure Challenges

Perfect for strategy enthusiasts and adrenaline seekers, these high-impact activities are designed to get teams moving, burn calories, and enhance communication and problem-solving skills.

- **Panoramic Helicopter Flights** – Experience breathtaking views of the Swiss Alps from above, any time of year.
- **Paragliding** – Enjoy the thrill of flight with a spectacular bird's-eye view of Verbier or Zermatt below.
- **Mont Fort Zip Line** – Soar down one of the Alps' longest and highest zip lines, ideal for an exhilarating ride. (Verbier only).
- **Treasure Hunts** – Engage in strategic, scenic challenges focused on teamwork, adaptable to winter or summer settings.
- **Mission-Based Espionage Challenges** – Experience collaboration and creativity in dynamic, action-packed scenarios.
- **Ice Climbing** – Experience the thrill of scaling frozen waterfalls and ice formations, guided by professionals to teach techniques and ensure a safe adventure. Restricted to the coldest months (Jan)
- **Bridge Swinging** – For the ultimate summer adrenaline rush, take a leap off a suspended bridge, swinging over breathtaking landscapes while enjoying an exhilarating and memorable experience.
- **Slalom Racing** – Dash down a privatised piste in a fast-paced slalom competition, on skis for skiers or sledges for non-skiers, guaranteed to spark adrenaline and laughter.
- **Infrared Laser Rifle Biathlon** – Test precision and focus in a dynamic challenge, where cutting-edge infrared rifles turn marksmanship into a safe, high-energy competition.
- **Avalanche Safety challenge** – Participate in a team-building game that teaches avalanche safety skills. Teams will learn to identify avalanche safety risks, use safety equipment, and implement search and rescue techniques, fostering teamwork and communication while enhancing critical safety awareness.

These thrilling activities combine excitement and elegance, making them ideal for unforgettable corporate experiences. * By 'Bond-Style' we mean anything seen in a Bond movie from dining on fur-draped snow seating & drinking champagne to dog sledding, bridge swinging, paragliding or flying in helicopters.

Gastronomic & Cultural Discovery Experiences

Foster connections through shared culinary adventures in Switzerland's gourmet heart.

- **Cheese-Making Workshop** – Master traditional Swiss cheese-making alongside local artisans, plus hear from the masters about how to make the perfect Swiss cheese fondue.
- **Chocolate Masterclass** – Guided by expert chocolatiers, create and taste your own delicious confections while learning about the history of Swiss chocolate making. You could also visit the Maison Cailler Chocolate factory to enhance your chocolaty trip.
- **Epic Picnic Challenge** – Compete to design the most innovative gourmet mountain picnic, suitable for both snowy moments and sunny days.
- **Vineyard Aperitif & Wine Discovery** – In the summer, immerse yourself in the world of Swiss viticulture by enjoying an elegant vineyard apéritif; while learning about the secrets of local Swiss wine production and savouring delectable appetisers, all set against the backdrop of panoramic mountain vistas.
- **Wine Tasting & Blending** – Enjoy the art of wine tasting, learn about wine production and get the chance to blend your own wine and design your own wine label.
- **Rhone River Culinary Adventure** – Delight your tastebuds as you navigate the Rhone river with a unique summer experience that combines thrilling rafting with a picnic meandering along the river, while tasting of local specialties that showcase the flavours of the region amidst stunning scenery.
- **Distillery visit with snowshoe or hike** - A working mountain distillery set in a traditional alpine chalet welcomes you for an introduction to alpine herbs, a tasting of local tisanes, and a look at how seasonal botanicals shape Valaisan spirits. Together, the group will craft one shared spirit — gin, absinthe, or eau-de-vie with alpine plants — arrive by a short 20-minute walk/snowshoe/hike along a quiet mountain trail. Each participant receives a take-away gift connected to the workshop, creating an authentic chalet-distillery moment. Available all seasons.
- **Culinary Hikes** – Pair the beauty of the Alps with gastronomic discovery through guided hiking or ski touring trips that include stops for local tastings. Hike through vineyards or enjoy seasonal dishes and specialties prepared by local chefs, fully immersing yourselves in the region's culinary culture. You could learn valuable, and often forgotten, map reading skills along the way, and could even dine and sleep in a mountain hut and wake up in the middle of nature.

These activities are hands-on, engaging, and delicious—perfect for teams that thrive on creativity and collaboration.

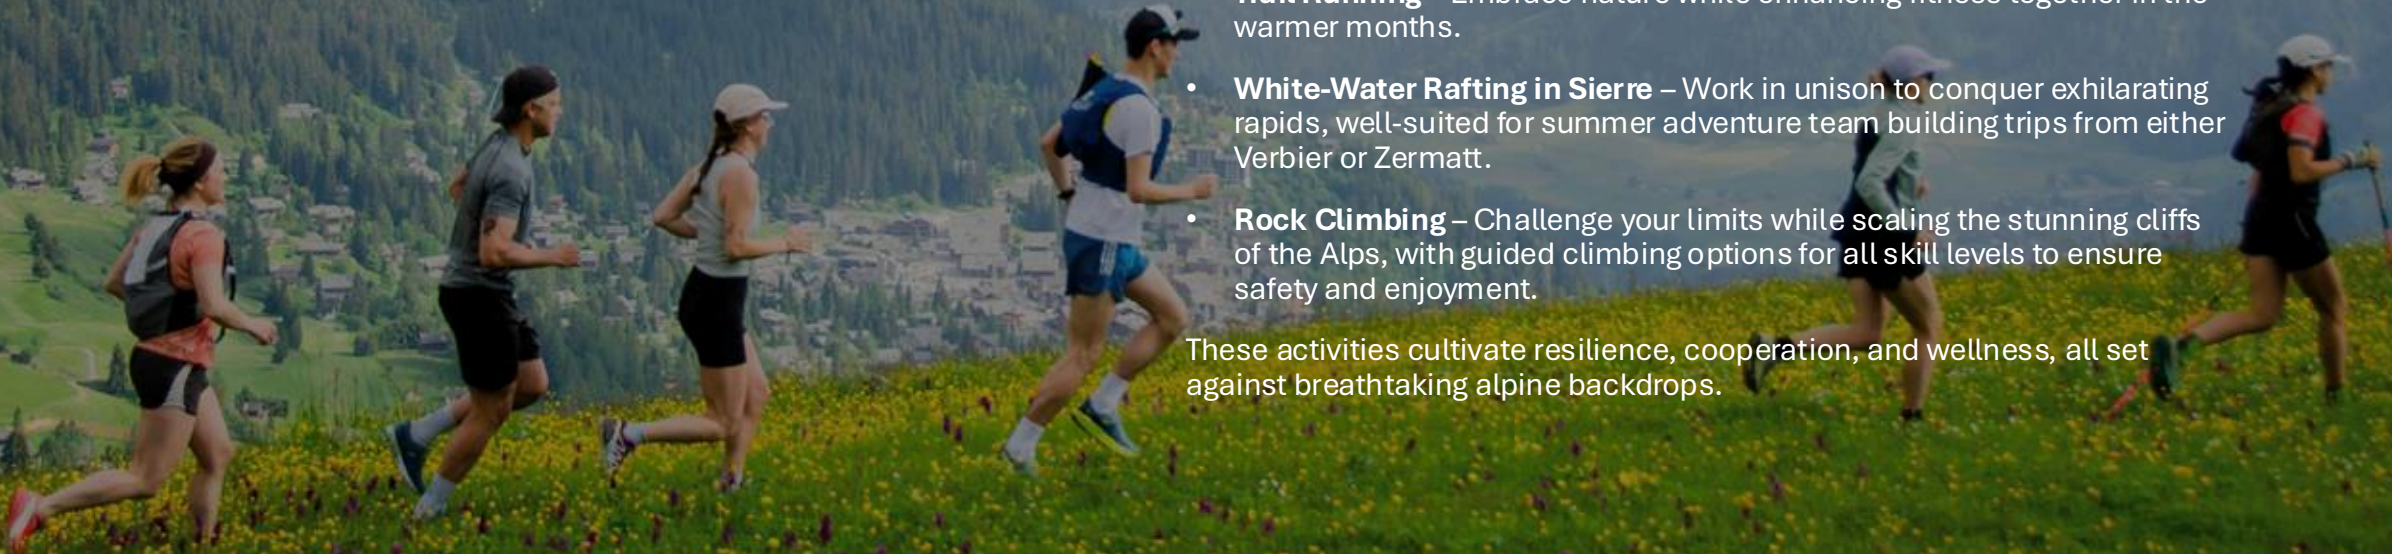

Alpine Sporting Activities

Crafted for energetic teams eager to bond through physical challenges amid the stunning Swiss Alps in spring, summer, autumn or winter.

- **E-Bike Tours** – Discover the beautiful trails of Verbier and Zermatt, fostering teamwork in the summer.
- **Skiing** – Whether novices or seasoned mountaineers, we cater to all skill levels during the winter season in Verbier or year-round in Zermatt.
- **Ski Touring & Snowshoeing** – Explore the pristine landscapes of Verbier and Zermatt in winter's snow-covered beauty.
- **Hiking** – Enjoy breathtaking alpine views and trails ranging from easy walks to challenging hikes.
- **Trail Running** – Embrace nature while enhancing fitness together in the warmer months.
- **White-Water Rafting in Sierre** – Work in unison to conquer exhilarating rapids, well-suited for summer adventure team building trips from either Verbier or Zermatt.
- **Rock Climbing** – Challenge your limits while scaling the stunning cliffs of the Alps, with guided climbing options for all skill levels to ensure safety and enjoyment.

These activities cultivate resilience, cooperation, and wellness, all set against breathtaking alpine backdrops.

Wellbeing, Health & Fitness

Encourage well-being alongside camaraderie through rejuvenating experiences that refresh both body and mind:

- **Ice Bath** – A revitalising experience that promotes recovery and resilience, suitable for any season.
- **Spa Treatments** – Rejuvenate with professional massages and wellness therapies.
- **Gorge Hikes** – Explore stunning natural summer trails that challenge and inspire.
- **Massage Sessions** – Relax and unwind with soothing treatments tailored for your team.
- **Mindfulness Workshops** – Engage in guided mindfulness and meditation sessions to enhance focus and reduce stress.
- **Alpine Fitness Journeys** – Participate in invigorating outdoor fitness classes set against the breathtaking landscapes of Verbier or Zermatt. These unique sessions blend exhilarating workouts with stunning alpine scenery, allowing you to experience the essence of the mountains while building strength and unity as a team.
- **Pilates & Promenades** – Experience a unique fusion of Pilates alignment exercises with guided summer hikes or snowshoeing. Enhance core stability and mindful movement while enjoying breathtaking alpine scenery.

These offerings prioritise physical and mental wellness, enabling teams to recharge and reconnect, regardless of the season.

Alpine Indulgence & Reward Escapes

Indulge in a relaxing experience designed for your team, whether it's a weekend retreat, an afternoon escape, or even just a soothing hour.

- **Gourmet Mountain Picnic** – Savour a remarkable picnic featuring fresh, locally sourced ingredients, surrounded by breathtaking alpine scenery, creating a celebration of nature's bounty.
- **Live Acoustic Music** – Entertain your team or clients with beautiful live music accompanying either a drink or picnic, creating the perfect ambiance for relaxation and connection.
- **Dining** – Discover the culinary delights of the Swiss Alps by enjoying meals in top-end restaurants or charming local eateries. Indulge in dishes prepared not only by renowned chefs but also by talented local stars, celebrating the rich flavours and traditions of Swiss cuisine.
- **Cocktails and Relaxation** – Wind down your evenings in style with expertly crafted cocktails, perfect for letting your hair down after a day of adventure. For those seeking a healthier touch, enjoy creative non-alcoholic detox beverages designed to refresh and rejuvenate.
- **Luxurious Corporate Accommodation** – After a day filled with adventures and indulgent experiences, retreat to one of Verbier or Zermatt's exclusive hotels or chalets. Enjoy unparalleled spa access, exquisite dining, and inspiring views, ensuring your team revels in comfort and rejuvenation throughout their stay.

Why Us?

We have been organising corporate experiences in Switzerland for over a decade, our founder comes from a corporate background and has built the framework of our corporate division around her experiences. *Attention to detail is at the top of everything we deliver.*

We organise exactly what our clients require. We are experts in creativity, innovation and love applying our experiences and activities to alpine nature.

Our unique offering will engage, destress, entertain and incentivise your team and clients.

Your trip could include a luxury picnic on the glacier, an itinerary of seminars followed by a mountain mission team building experience, cheese making, wine tasting, or even something as simple as an afternoon hiking, e-biking or skiing with a guide.

We'll deliver a tailored plan to suit your group's requirements.

What to expect

First and foremost, we work with you to create a detailed and concise brief to ensure we are on the same page. We then prepare a tailored program with specific outcomes, and work with you to refine it until you have the perfect plan for your business trip goals.

What will the result look like?

- A strategic plan for your trip that delivers on the brief
- Innovative, creative experiences and activities to keep everyone entertained throughout the trip
- An online itinerary showing the plan, bookings and confirmations in detail
- Exclusive insider knowledge throughout the resort from restaurants to guides, experiences to views, from bars to spas
- A dedicated team to ensure the smooth running of your time in Switzerland, from the moment you arrive to the end of the trip

We strive for excellence in everything we do, hence our business being Above & Beyond. We will never deliver anything 'stuffy and boring'; creativity and innovation are at the heart of our business whether we are organising a team-building experience, a wellness and relaxation retreat, a gastronomic extravaganza, or an active sporting trip.

*Please note that we only provide tailored experiences for our clients and as a result we will not be able to provide an accurate price until our planning fee has been paid. There are just too many factors that need to be considered and approved with you before putting a figure to an experience.

The Planning Process

A complementary 15 minute discovery call to make sure we are on the same page and to discuss an overview of what we can offer your group

Choose how many planning hours you would like to buy in one go – the more you buy the less you pay per hour

Planning starts once the fee for the initial planning hours has arrived in our account

Work together to form the perfect brief and set a budget

We send through suggestions to refine together

Once agreed we send through the final plan

We then start the booking and confirmation process

We compile your itinerary and upload it into the app

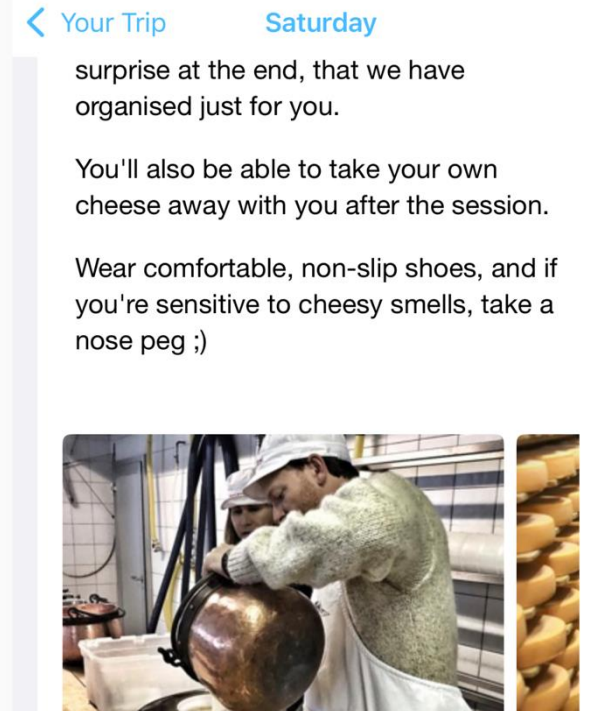

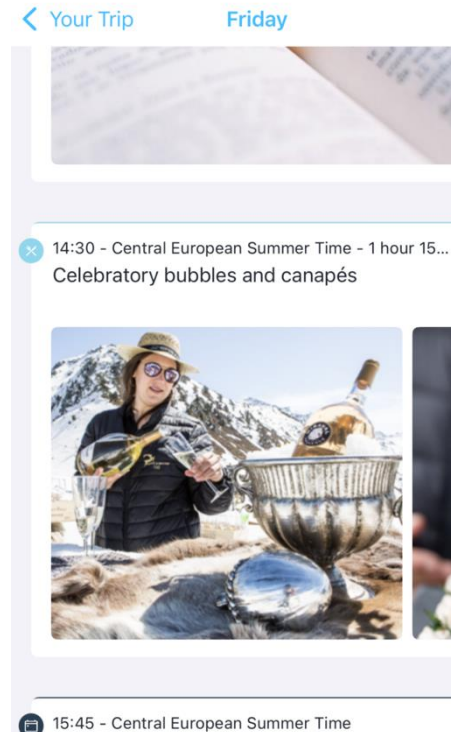

Arrive and meet your in-town team face-to-face

Our Exclusive Alpine Itinerary Service

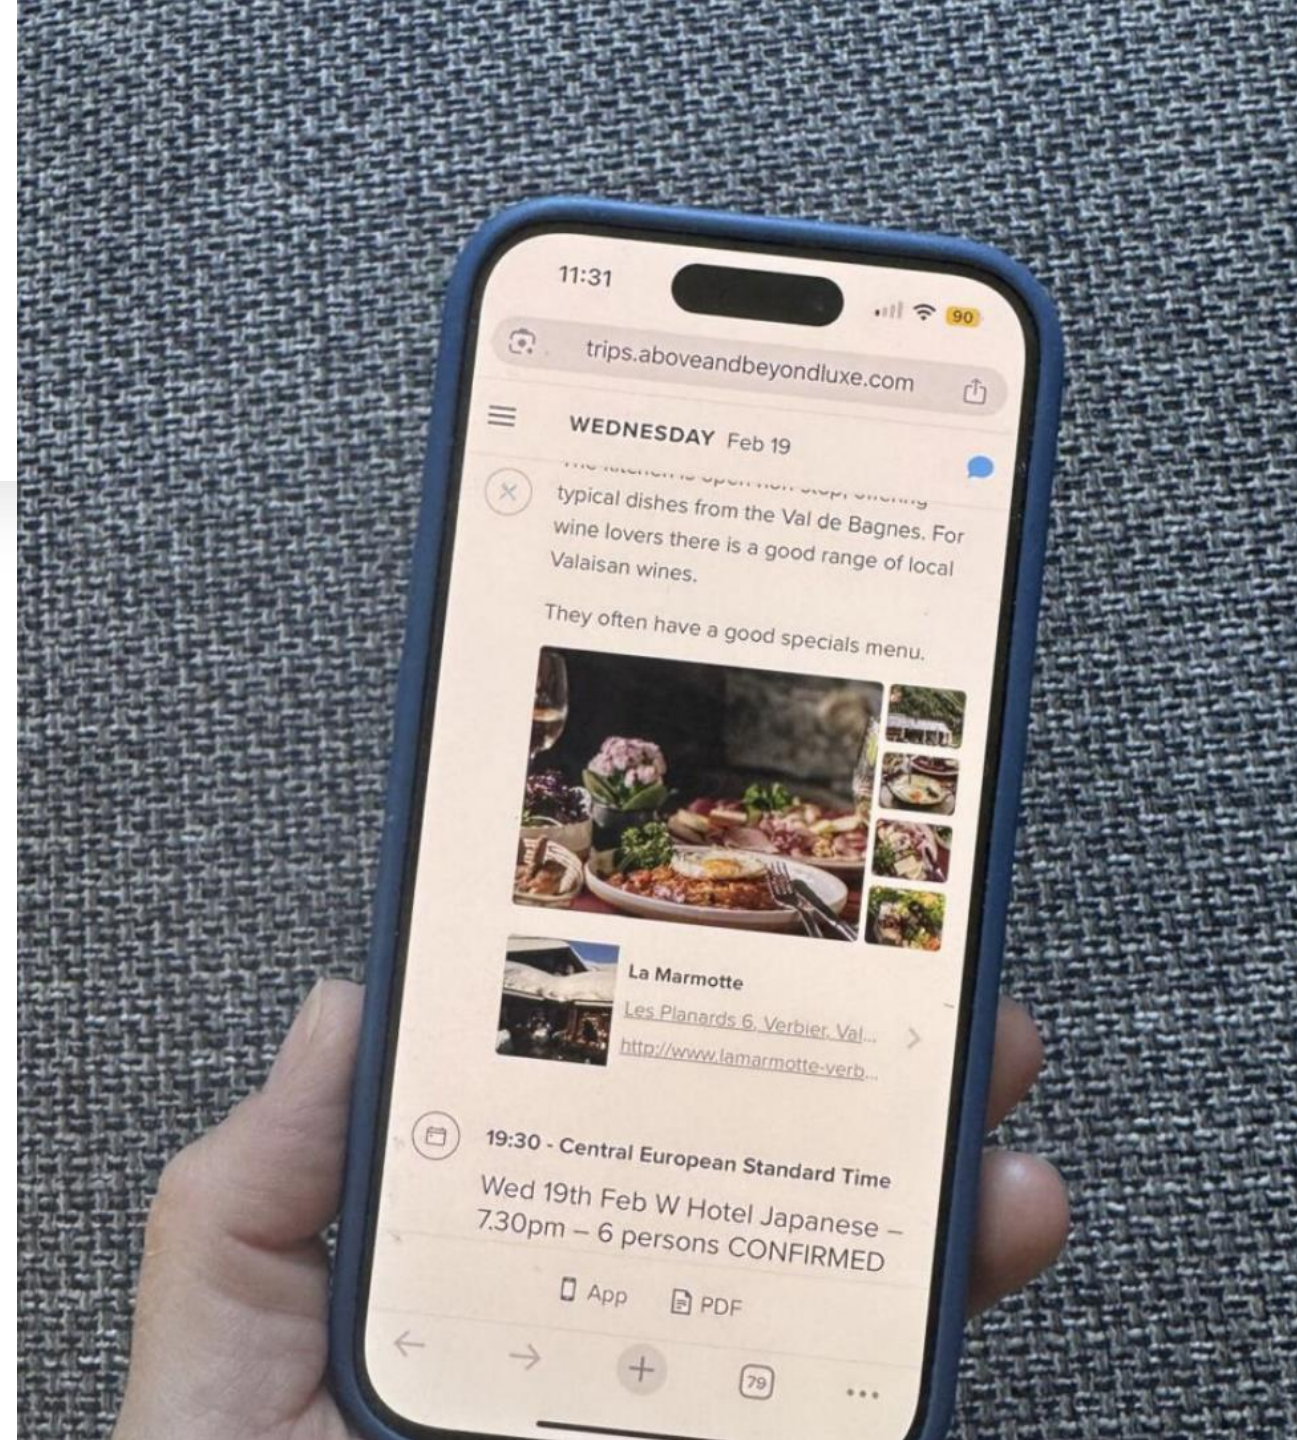

- We provide tailored itineraries for day trips, individual experiences, in-town lunches and dinners, panoramic flights, whole trips and a lot more
- Our itineraries take a long time to put together; we don't just pick up the phone and book you somewhere then it's done
- We plan from start to finish, give insider insight to each place on the itinerary, add images, menu suggestions and are also available to make last-minute edits for any changes you require, so you have everything up to date on your phone for when you need it
- We include the address, the time of the booking, background insider information, images, details on how to get there, and any other tips and pointers that will be helpful for you and your team

Our Dedicated Itinerary App

- You will have access to our multi-media app with images, icons and a section for all your travel documents and confirmations
- A link to send to your team via WhatsApp, email, SMS, LinkedIn or Telegram
- A live itinerary that we can update while you're on the move
- Downloadable PDFs in case you want to print the itinerary and share with the group that way
